Why are you here?

Was there a victim involved?

The victim is the store that you stole from, the person who owned the property that you vandalized, the person that you assaulted, etc.

Your Assignment

Write a 500-word essay addressing all, of the following points:

Explain your situation from the beginning.

- What happened?
- Who was involved?
- Who was affected?

Now, put yourself in the victim's shoes.

- Have you ever been the victim of a crime?
- If so, how did you feel?
- How would you feel if you were victimized?
- What you would do differently next time.

Now that you can imagine how the other person felt, how does that change your thoughts?

Does it?
