

MISSION OF DUI COURT

DUI Court is structured to provide repeat DUI offenders with intense outpatient treatment while on supervised probation. Additionally, the offender's compliance and progress will be monitored by the Court through regular court appearances before the Presiding Judge.

After entering a plea to the charge of DUI, the offender will be placed on probation for a period of one year. During probation the offender will be expected to comply with the statutory requirements pursuant to Florida Statutes 316.193 and 322.28.

Additionally, the offender must complete all phases of DUI Court.

APPLICATION FOR DUI COURT

Applications for participation in the DUI Court Program are available from the Department of Court Alternatives. An initial application and a \$38 weekly program fee for drug screens and cost of probation supervision will be collected for the first 90 days. Thereafter, a \$50 weekly fee will be charged for the remainder of the program. These fees will be paid at the Department of Court Alternatives.

Treatment sessions, Driver Improvement school and other assessed court costs are not included in this fee.
