FELON ASSISTANCE PROGRAM: Issuance of the bond for job placement to occur can be requested by either the employer or the job applicant. This request is to be made to the local agency certified by the Federal Bonding Program. In many cities, agencies are certified to issue bonds as an employer incentive for job hire. Sometimes these agencies are designated as the State Job Service or One-Stop Career Center. Job seekers wishing to locate the agency in their area should call 1-877-US2-JOBS (1-877-872-5627) for more information.
