

TEEN COURT

Marion County Teen Court is a diversion program for juvenile first-time offenders that operates on restorative justice principals. The Jury, which is comprised of teens, does not decide the guilt or innocence of the offender but assesses constructive sentencing for the offender who has pled guilty.

This program allows youth to have their charges dismissed, presuming all conditions of their sentence have been completed within the guidelines provided.

The primary goal for Teen Court is to reduce recidivism by providing a constructive, educational experience that holds youth accountable for their actions and learn from their mistakes in a supportive environment that emphasizes positive reinforcement.

A youth cannot attend Teen Court without prior approval by the State Attorney's Office and ordered by the Judge.

Teen Court meets on Tuesday afternoons from 4:50 PM until approximately 7:00 PM. Location TBA

There is a **\$25.00** Teen Court participation fee. The fee must be paid in full within 30 days of the orientation meeting with a Teen Court staff member.
