A. Communications with the Judicial Office

- Please note that Judicial Assistants are not authorized to communicate with the Judge regarding the merits of any case or discuss legal arguments of a case. Any and all communication that a person desires to have considered by the Court must be filed appropriately with the Clerk of Court and copies must be provided to all interested parties. Do not email the Judge directly with correspondence.

- **Method of Communication:**
 - ❖ **Email:**
 - All communications to the judicial office must be submitted by e-mail to the Judicial Assistant at jferguson@circuit5.org. **The subject line of any e-mail to the judicial office must contain the case number, case name, and relevant matter. (e.g., 42-2025-CA-001234 – Doe v. Doe – 2-Hour Hearing Request).**
 - ❖ **Telephone:**
 - Only self-represented litigants and attorneys ***who are excused from e-mail service*** may communicate with the judicial office by telephone call to (352) 401-7820. The judicial office does not accept text messages.
- **Ex parte Communications:**
 - All communications with the judicial office must comply with Canon 3 of the Code of Judicial Conduct, which prohibits a judge from initiating, permitting, or considering ex-parte communications and from considering other communications outside the presence of the parties concerning a pending or impending proceeding, unless authorized by law. All parties must be copied **on every e-mail directed to the judicial office**, unless ex-parte communication is authorized by law.
- **Unsolicited Communications:**
 - Parties may only contact the judicial office in accordance with these practices and procedures. Unsolicited communications from non-parties will not be considered by the court.
- **E-Filing Portal Contact Information:**
 - All attorneys and self-represented litigants must make and receive service by e-mail, which is generally through the Florida Courts E-Filing Portal, unless excused. Fla. R. Gen. Prac. & Jud. Admin. 2.516.
 - All attorneys and self-represented litigants must provide an e-mail address to receive signed orders electronically, unless excused. Fla. R. Gen. Prac. & Jud. Admin. 2.516. It is the responsibility of attorneys and self-represented litigants to update their contact information using Form 2.603 any time

there is a change in the e-mail account registered for electronic service.

- **Response to Inquiries:**

- The Judicial Assistant is not authorized to provide legal advice.
- The Judicial Assistant strives to substantively respond to all inquiries within two business days. If the judicial assistant is unable to substantively respond within two business days, your message will be responded to as quickly as possible.
- When the Judicial Assistant is out of the office, your message will be acknowledged as received with an indication of when to expect a substantive response.

- **Other Communication Procedures:**

- Any e-mail sent to or from the judicial office may be a public record subject to disclosure. Florida has a very broad Public Records Law. Most written communications to or from State and Local Officials regarding State or Local business are public records available to the public and media upon request. Your email communications, including your email address, may therefore be subject to public disclosure.

B. Scheduling Procedures

- ❖ **Court Schedule:**

- The Judge's trial calendar can be found online. All other hearing dates are special set with the Judge's office.

- **Scheduling Hearings:**

- Hearings must be requested by e-mail to: jferguson@circuit5.org.
- All requests for hearing must be sent by emailing the Judicial Assistant and copying opposing counsel and any self-represented litigant. **Any request for hearing time that does not include all parties will not be considered.** In the email, please provide the following information (an example is below):
 - ❖ Case number and style

- ❖ **Please be sure to review the Standing Order Establishing Motion Practice Procedures dated June 24, 2022, prior to requesting a hearing on any motion.** Motions will more often than not be determined by the Court based on motion papers and legal memoranda unless a hearing is required by rule or law. If the parties would like to request a hearing after completing all requirements of the Motion Practice Order, please follow the below instructions. A copy of the Standing Order can be found on the Court's webpage.
- ❖ Pursuant to paragraph 14 of the Standing Order Establishing Motion Practice Procedures, each party shall submit a proposed competing order for the Court's review; or the parties may send an agreed order. Guidelines for proposed orders are outlined in Section E below.
- ❖ **Please advise if your matter is approaching any deadlines that the Court needs to be aware of; it is the parties' responsibility to alert the Court to these issues. Motions must be addressed either by written order or hearing pursuant to any applicable deadlines contained in orders entered in your case. Motions are addressed in the order which they are received unless we are made aware of these timeframes.**
- ❖ If you are requesting a hearing on a motion, indicate if all response time has elapsed pursuant to the Standing Order Establishing Motion Practice Procedures. Let the Judicial Assistant know if any responses or replies have been filed.

- **Cancelling Hearings:**

- Noticed hearings set by a party may only be cancelled with the approval of the Court. If you wish to cancel a previously scheduled hearing, you must email jferguson@circuit5.org and advise of the reason for the cancellation request. If approved by the Court, you must immediately file and serve a notice of cancellation on opposing counsel and any self-represented litigant.
- If a hearing was set by the Court, it will only be cancelled

through a voluntary dismissal, entry of a stipulation and order dismissing the cause of action, or any other order of the Court.

- **Conflicts with Hearings:**

- A party that has a conflict with a hearing already set shall comply with Fl. R. Gen. Prac. & Jud. Admin. 2.550(c).

- **Other scheduling procedures:**

- Once a motion or petition is scheduled, any other motions or matters may not be noticed for the same time without prior approval from the Judicial Assistant via email.

C. Remote Appearance

- **Remote Appearance Procedure:**

- The court maintains a hybrid virtual courtroom, allowing parties to appear either in person or remotely, as provided by Florida Rule of General Practice and Judicial Administration 2.530. Requests to use communication technology for an appearance at a hearing that is set to occur in person must be made by motion.
- Any objection to the use of communication technology must be filed no later than **10 days prior to the scheduled hearing**.
- Parties and witnesses must be logged in 5 minutes prior to the start of the hearing.

- Any person appearing remotely must enable the person's camera when joining the proceeding and keep the camera turned on until instructed otherwise by the court.
- Any person appearing remotely must mute the person's microphone when joining the proceeding and keep the microphone turned off until instructed otherwise by the court.
- If a witness appears remotely, the party calling the witness must ensure the witness has a functioning camera and microphone and has tested the internet connection before the hearing. The oath will be administered in accordance with Florida Rule of General Practice and Judicial Administration 2.530.

- **Technology Needs:**

- To ensure that your device has the requirements to join the hearing both with an audio and visual connection, you may initiate a "test" hearing at <https://zoom.us/test>

D. Requirements for Proposed Orders/Judgments After Hearing

***This section contains information regarding the submission of orders/judgments if a hearing is held. This does not modify the requirements of the parties to follow the Standing Order Establishing Motion Practice Procedures.

- This Court requires the parties to prepare and submit to the Court proposed orders granting or denying motions following the hearing. The Court will give the movant(s) and nonmovant(s) specific instructions at the close of the hearing, but, in general, counsel for the parties should expect and be prepared to comply with the following requirements:

- **Proposed orders must be emailed to the Court's Judicial Assistant in Word format pursuant to the requirements in Section E below;**
- not as an additional written argument or legal briefing requirement, but to provide counsel an opportunity to plead any exceptions or objections to the form of opposing counsel's proposed order (i.e., citing materials not in the record or citing to materials in the record, but not previously cited in the factual positions supporting the motion/response), the Court will generally establish a reasonable deadline for filing the exceptions/objections pleading within **5 days** following the filing of the proposed orders, unless a different timeline is provided;
- **a courtesy copy of any such filed exceptions/objections pleading must be emailed to the Court's Judicial Assistant by the same deadline as the filing of the same;**
- the proposed orders granting/denying the motion should contain at, a minimum the following three well-defined sections: (1) summary of facts with citations to particular parts of materials in the record supporting each fact with such specificity the Court could readily locate the portion of the materials supporting such factual positions in the record (i.e., depositions page(s)/line(s), location of materials, records, affidavits, and pleadings in the record by docket/line number together with page and paragraph number), (2) Applicable Law (i.e., general summary judgment standard caselaw, case specific caselaw relevant to any summary judgment issues or legal issues inherent to the cause of action/theory of liability), (3) Legal Conclusions (containing the application of the law to the facts, summary judgment analysis, and specific reasons for granting or denying the motion).

E. Submission of Orders and Judgments

 **THE COURT DOES NOT ACCEPT ORDERS THROUGH THE COURT'S E-FILING PORTAL!**

- **Format:**

- All proposed orders must be submitted in the latest version of Word (.docx) format ONLY on 8.5 x 11-inch pages with a 1" margin and provided to opposing counsel and any self-represented litigant.

- Certificates of Service shall state the below. *An example of the formatting required can be found at the end of this section:*

I HEREBY CERTIFY that this Order was electronically filed with the Clerk of the Court on MMMM, via the Florida Courts E-portal, which will provide copies to all counsel of record or to those pro se parties who have an email registered for electronic service.

****Plaintiff's/Defendant's counsel shall furnish a copy of this Order to each self-represented party by U.S. Mail:**

- Electronic proposed orders are preferred for all matters other than a Final Judgment of Foreclosure.
- **All electronic orders (other than Final Judgments of Foreclosure) must be in ICMS format.** If hard copies are being sent, please do not use ICMS formatting. You must use the codes as pairs (e.g., JJJJ & DDDD for Judge's signature). Below are the required pairs.

❖ DDDD = Judge Signature Date/JJJJ = Judge Signature

❖ MMMM = Mailing Date/AAAA = Judicial Assistant Signature

❖ The codes must be all capital letters. You must add all 4 letters for each field. These codes should only be used once per line

❖ Since becoming more familiar with ICMS, we have come to find that there are additional nuances that should also be mentioned in conjunction with the formatting listed above. For example: Do not put spaces in front of the JJJJ or AAAA. **To move the signature fields to the preferred location you should only use the Right Alignment Button.** Failure to do this will result in the signature(s) not adhering and possible rejection of your document. **Do not use page breaks or section breaks in your document.** This causes blank pages to occur in the system. It will look as though a page of the filing is missing, even though it was only a blank page. **Do not insert memos, notes, or comments into your documents.** Hidden formatting like this will show up in the system and is difficult to remove for the recipient. This can also result in the rejection of your document. **If a Proposed Order is submitted with errors, it will be sent back to the creator to correct.**

- All proposed orders must be accompanied by a cover letter either (1) certifying that all parties agree to the order or (2) containing a statement identifying any disagreement of the parties as to the proposed order.
- **A copy of the motion should be included with all proposed orders.** Please **DO NOT** attach the proposed order to the motion, submit separate documents for each.

- All attorneys and self-represented litigants must bring sufficient copies of each exhibit for the Clerk, the Court, and each party to review during the hearing or trial.

- **Deadline for Submissions:**

- Exhibits for electronic hearings must be submitted ***five (5)*** business days before the evidentiary proceeding by emailing the Judicial Assistant at *jferguson@circuit5.org* or by delivering a thumb drive to the Marion County Courthouse.
- If your hearing is in person, do not send copies of your exhibits ahead of time to the Court. Email the Index of Exhibits only with an indication of whether each exhibit has or has not been stipulated to by the parties to the Judicial Assistant at *jferguson@circuit5.org*, and let her know that the index is for an in-person hearing. Additionally, copies of caselaw and legal authority shall be sent to the Court according to the requirements under Paragraph F above. These documents shall be sent to the Court ***five (5)*** business

days before the evidentiary proceeding.

I. Pretrial Procedures and Conferences

- **Case Management Conference (CMC):**

- Any party may request a CMC by filing a request when a case requires.
- The court strongly encourages the early use of CMCs in more complex cases, multiple-party litigation, or any case that might benefit from court intervention.
- Unless excused by the court in advance, **all CMCs are mandatory for attorneys and self-represented litigants.** Parties represented by counsel are not required to appear at a CMC.

- **Status Conference:**

- Any party may request a status conference by filing a request when a case requires. Any request for a status conference must articulate the reasons for the necessity of the conference.

- **Scheduling:**

- If the court grants the request for a CMC or status conference, the moving party must schedule the CMC or status conference pursuant to the procedures noted under the above Scheduling Procedures.

J. Setting Case for Trial

- **Procedure:**

- File a Notice for Trial to request the case be set for trial. Indicate how long the parties would like to reserve for the trial. The Court may set a case for trial at Case Management, Status, Motion Hearings, or by Written Order.

- **Notice Period:**

- The court does not set date-certain jury trials. After the pre-trial conference, the court will assign cases to specific days during the trial period and may assign back-up cases. Attorneys, self-represented litigants, parties, and witnesses

are expected to be available during the entire trial period.

K. Court Appearances Procedures
